INDEPENDENT AUDITORS' REPORT

February 23, 2018

To the Officers and Board of Trustees
CEC/Seabee Historical Foundation, Inc.
Gulfport, Mississippi

We have audited the accompanying financial statements of CEC/Seabee Historical Foundation, Inc. (Foundation) (a nonprofit organization), which comprise the statement of financial position as of December 31, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Officers and Board of Trustees
CEC/Seabee Historical Foundation, Inc.
Gulfport, Mississippi
February 23, 2018

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CEC/Seabee Historical Foundation, Inc. as of December 31, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

CEC/SEABEE HISTORICAL FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The CEC/Seabee Historical Foundation, Inc. (Foundation) is a non-profit organization whose purpose is to ensure that the proud heritage and rich history of the Navy's Civil Engineer Corps (CEC) and the Navy's military construction force, the Seabees, are properly documented, preserved and maintained. The primary goal of the Foundation is to maintain public awareness of the contributions and accomplishments of the Seabees and the Civil Engineer Corps. The Foundation accomplishes this mission through the support of the Seabee museums, various programs and newsletters. The Foundation is the private support arm of the CEC/Seabee Museum. The CEC/Seabee Museum is located in Port Hueneme, California and is operated by the United States Department of the Navy.

The Foundation was founded in September 1991 and is governed by a board of up to 33 trustees. At December 31, 2017, the board consisted of 32 trustees. The Foundation is managed on a day-to-day basis by its President. The Foundation's headquarters are located in Gulfport, Mississippi.

In March 2000, the Foundation began a \$12 million capital campaign to generate capital funds for the construction of a new museum at Port Hueneme, California, to replace the previous facility. On June 6, 2008, September 3, 2009, and August 4, 2010, the Foundation gave \$10 million, \$1.2 million, and \$758,000, respectively, to the United States Department of the Navy for the construction of the new museum in Port Hueneme, California. The museum building construction was completed in October 2010.

The Foundation's current capital campaign is to raise \$9 million to fund permanent exhibits and displays at the new CEC/Seabee Museum in Port Hueneme, California. In addition, capital campaign funds will support maintaining and updating the museum and its exhibits and displays as necessary.

Related Entity

In December 2003, the operations of the Port Hueneme Museum Gift Shops (Gift Shops), located in Port Hueneme, California, and Gulfport, Mississippi, previously accounted for as part of the Foundation, were transferred to The Seabee Museum Store, Inc., a separate corporation. The results of the Gift Shops' operations have not been reflected in these financial statements.

The Foundation performs limited administrative services for the Seabee Memorial Scholarship Association, Inc. (Association), a separate corporation. These administrative services consist primarily of processing donations and pledge payments mailed to the Association's post office box located in Gulfport, Mississippi. The results of the Association's operations have not been reflected in these financial statements.

Basis of Presentation

The financial statements of the Foundation have been prepared in conformity with accounting principles generally accepted in the United States of America under the accrual basis of accounting. The accrual basis of accounting is the method of accounting under which liabilities and expenses are recorded when incurred, whether or not paid, and income is recorded when earned, whether or not received.

CEC/SEABEE HISTORICAL FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation (Continued)

The Foundation reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Net assets of the two restricted classes are created only by donor-imposed restrictions on their use. All other net assets, including board-designated or appropriated amounts, are reported as part of the unrestricted class. In addition, the Foundation is required to present a statement of cash flows. As permitted, the Foundation does not use fund accounting.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted support that increase temporarily restricted net assets. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, as well as revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Foundation is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and comparable state law, and contributions to the Foundation are tax deductible within the limitations prescribed by the IRC.

The Foundation has implemented the accounting requirements associated with uncertainty in income taxes using the provision of Financial Accounting Standards Board (FASB) ASC 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the positions will be sustained upon examination by the tax authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. As of December 31, 2017, the Foundation has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

Functional Allocation of Expenses

The cost of providing the Foundation's fund raising, program, and support services has been summarized on a functional basis in the statement of activities. Certain costs, including payroll and other office expenses, are allocated among the functional expense categories based on management's analysis of personnel time and expenses for the related activities.

NOTES TO FINANCIAL STATEMENTS

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

For the purpose of the statement of cash flows, cash and cash equivalents are defined as demand deposits and savings accounts at local banks, cash accumulation accounts at a local brokerage firm, and highly liquid investments with an original maturity of three months or less when purchased.

Restricted cash and cash equivalents consist of capital raised for expenses incurred to provide funding to the United States Department of the Navy for permanent exhibits in the new museum at Port Hueneme, California. These funds include no long-term donor-imposed stipulations and are therefore considered to be current assets.

Investments

The Foundation records investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized. The Foundation had no investments at December 31, 2017.

Realized gains and losses related to the sale of investments are recognized as income in the period to which they relate.

Property and Equipment

Property and equipment is stated at original cost. Property and equipment is capitalized if the cost of an item exceeds the minimum value of \$100. Expenditures of major renewals and betterments that extend the useful life of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

Depreciation is provided over the estimated useful lives of the related assets using the straight-line method. The estimated useful lives for property and equipment used to compute the straight-line method of depreciation are as follows:

<u>Assets</u>	<u>Useful Life</u>
Furniture and Fixtures	5 - 7 years
Equipment	5 - 7 years

The Foundation reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If these assets are considered to be impaired, the impairment loss recognized is measured as the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or the fair value less costs to sell.

CEC/SEABEE HISTORICAL FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated Facilities

The Foundation receives the free use of office space at the United States Department of the Navy's Seabees facilities in Gulfport, Mississippi. Contributions and expenses related to the donated office space amounting to \$14,400 are included in general contributions and general and administrative expenses in the statement of activities.

Net Assets

The Foundation reports information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets – net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time.

Permanently restricted net assets – net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation.

The Foundation has no permanently restricted net assets at December 31, 2017.

Unconditional Promises to Give

Capital Campaign

The Foundation's Capital Campaign was designed to solicit promises to give to be paid over time (up to five years). Both operating and capital promises to give are recorded as temporarily restricted contributions due to the purpose and/or implied time restrictions. Contributions are recorded at fair value as revenue at the time the promises to give are made. When the purpose and/or time restrictions are met, the amounts are released from restrictions.

The allowance for doubtful accounts at year-end represents an estimate based on delinquent promises to give at December 31, 2017. Management determines the allowance for doubtful accounts based on historical losses and current economic conditions. On a continuing basis, management analyzes delinquent receivables and, once these receivables are determined to be uncollectible, they are written off through a charge against the existing allowance account. It is management's policy to charge off uncollectible promises to give when it is determined that the receivable will not be collected.

Split Interest Trust Agreement

The Foundation accepts gifts subject to split interest agreements. These gifts may be in the form of annuities or charitable remainder trusts. At the time of receipt, the gift is recorded based upon the fair value of assets donated less any applicable liabilities.

CEC/SEABEE HISTORICAL FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Split Interest Trust Agreement (continued)

The Foundation holds a remainder interest in an irrevocable trust. Under the trust agreement, the Foundation will receive twenty percent of the remaining trust following the death of the beneficiary. At December 31, 2017 the trust beneficiary was deceased. The amount reported as split interest trust agreement in the Statements of Financial Position represents the amount the Foundation received at close of the trust after year end.

Conditional Promises to Give

Conditional promises to give are recognized by the Foundation as revenues when substantially all the conditions have been met.

Membership Dues

The Foundation offers annual and lifetime memberships to individuals and annual memberships to corporations. Membership dues are recorded as revenues at the time of receipt.

NOTE 2: UNCONDITIONAL PROMISES TO GIVE

In accordance with FASB ASC 958-605, Unconditional promises to give, not expected to be collected within one year, are discounted. Unconditional promises to give as of December 31, 2017 consist of the following:

CEC/SEABEE HISTORICAL FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 2: UNCONDITIONAL PROMISES TO GIVE (continued)

Pledges receivable with due dates extending beyond one year are discounted using Treasury bill rates for similar term investments. The applicable rates at December 31, 2017 range from 1.17% to 4.51%.

Bad debt expense at December 31, 2017 totaled \$21,500 and is included in program services expenses in the statement of activities.

NOTE 3: RELATED PARTY TRANSACTIONS

Included in unconditional promises to give as of December 31, 2017 is approximately \$188,000 in promises to give made by Officers and Board Members of the Foundation for the Capital Campaign.

During the year ended December 31, 2017, the Foundation contributed \$19,196 of support to the Seabee Museum Store, Inc., a related party, that is included in program services expenses in the statement of activities.

For the year ended December 31, 2017, the Foundation received and recognized \$20,000 in revenue for administrative services provided to the Seabee Memorial Scholarship Association, a related party, that is included in other sources in the statement of activities.

NOTE 4: PROPERTY AND EQUIPMENT

A summary of changes in property and equipment and the related accumulated depreciation is as follows:

<u>Asset</u>	<u>Balance 12/31/2016</u>	<u>Additions</u>	<u>Retirements</u>	<u>Balance 12/31/2017</u>

NOTE 8: CONCENTRATIONS

Credit Risk

The Foundation maintains its cash balances in two financial institutions located in Gulfport, Mississippi. The balances at these financial institutions are insured by the Federal Deposit Insurance Corporation (FDIC). At various times there may be balances in the banks that exceed the FDIC limits. The total uninsured cash balances at December 31, 2017, were \$471,405. The Foundation maintains its cash with a high quality financial institution which the Foundation believes limits these risks.

Donors

Thirty-five donors accounted for approximately 68% of total 2017 contribution revenue. All thirty-five donors' contributions were in the form of unconditional promises to give and 24% are recorded as contribution receivables in the statement of financial position.

NOTE 9: CONTINGENCIES

The Foundation continues to solicit promises to give to raise \$9 million to retire debt and to acquire permanent exhibits and displays for the museum. Additional capital campaign funds will support maintenance and updating of the museum and its exhibits and displays as necessary. The success of the capital campaign is contingent upon current economic conditions, on the Foundation's ability to solicit promises to give, and on its ability to collect on those promises to give.

NOTE 10 – SUBSEQUENT EVENTS

The Foundation has evaluated subsequent events through February 23, 2018, the date which the financial statements were issued. No such events have been identified by the Foundation for this time period that are required to be recognized or disclosed.
